with Moanalua Garden Foundation at Kamananui Valley Trail
Meet at 1857 Ala Aolani St. Honolulu, HI 96819

SATURDAY, FEBRUARY 22, 2025
8:30 a.m. - 11:30 a.m.

*Living aloha is a journey, not a destination. It's about cultivating a mindset that embraces compassion and understanding. Kamananui Valley Trail, also known as Moanalua Valley Trail, is an easy 8-mile roundtrip hike. **We will complete a 1.5-mile portion of the hike, 3 miles roundtrip.** The trail and its neighborhood are significant because of its history, dating back to 1884 when Princess Bernice Pauahi Bishop, granddaughter of Kamehameha the Great, and the last living member of the House of Kamehameha, gifted 6,000 acres of land to Samuel Mills Damon. One of the four Damon children, Douglas Damon, built his home in Kamananui Valley, on the footprint of a country home used by some of the Kamehameha dynasty. **We will visit ruins of the Damon house and learn about Moanalua's revered and sacred petroglyph boulder, Pōhakukaluahine, "Rock of the Old Woman."** We look forward to sharing the story of Pōhakukaluahine, the Damons, and Moanalua Valley with you. **Military family members ages 6 years and above welcome. Younger children in carriers okay. No strollers.***
