Living aloha is a journey, not a destination. It's about cultivating a mindset that embraces compassion and understanding.

Join us for a guided tour, hike, and service-learning project of Kamananui Valley on Saturday, March 28, 2026. The hike and project will be from 8:30am-11:30am, please bring your lunch and join us for some fellowship following. Kamananui Valley Trail, also known as Moanalua Valley Trail, is an easy 8-mile roundtrip hike. **We will complete a 1.5-mile portion of the hike, 3 miles roundtrip.** We will visit ruins of the Damon house and learn about Moanalua's revered and sacred petroglyph boulder, Pōhakukaliahine, "Rock of the Old Woman". We look forward to sharing the story of Pōhakukaliahine, the Damons, and Moanalua Valley with you.

Military family members ages 6 years and above welcome. Younger children in carriers welcome. No strollers.
