LEARNING TO LIVE ALOHA

with YMCA of Honolulu Camp Erdman

**Saturday,

Living aloha is a journey, not a destination. Join Armed Services YMCA Hawai'i and YMCA of Honolulu Camp Erdman for a meaningful day of service, connection, and outdoor adventure!

Families of all ages are invited to participate in a hands-on service-learning project supporting Camp Erdman's shoreline conservation efforts. Together, we'll help care for the land through activities such as weeding and moving plants, followed by fun camp activities for the whole 'ohana! Please ensure that each participant is registered individually.
