VETERAN'S DAY WEEKEND
SATURDAY, NOVEMBER 14, 2026
Workday at 9:00-11:00 & lunch to follow!

Living aloha is a journey, not a destination. It's about cultivating a mindset that embraces compassion and understanding. The Kōkua Learning Farm is an educational and agricultural destination, inspiring learners of all ages to actively support local food systems. Join us for a morning of light farm work, education, and family fun. Projects may include, but are not limited to: agroforestry work, mulching, weeding, trimming, lo'i clearing, planting, and harvesting.

Registration is required for all attendees so we can plan accordingly. Please ensure each participant is signed up individually.

Activities appropriate for:

- Military family members ages 8 years and above. Supervised Keiki are welcome.
- Younger children in carriers okay. No strollers, please.

Please note: pets are not allowed at Kōkua Hawai'i Foundation's Hale'iwa site which includes Kōkua Learning Farm and other outdoor areas, Kōkua General Store, Kōkua Community Center, 'ĀINA Farm Stand, and KHF Offices.
